is due at Guantanamo at 10 o'clock to-night with full details of the situation at Kingston.

countries Rear-Admiral Evane first heard of the disaster on Tuesday night by means of an intercepted wireless despatch and prepared to send ships to the scene. Wednesday morning he received a cable despatch from Gov. Magoon asking him to send medical supplies. The Whipple started instantly at a speed of twenty-five knots, carrying all the surgical supplies

The battleships Missouri and Indiana followed and both are now in Kingston Harbor, but are unable to communicate by wireless with Admiral Evans owing to an intervening mountain. Communication, however, is maintained through the steamer Colon, which is lying of

Rear-Admiral Evans sent the battleships because he knew no English troops were in Kingston and he feared looting by the negroes there.
